

Notice to the Students

The University College of Engineering, OU is planning to complete the remaining theory subjects' syllabus of the even semester for the academic year 2019-20 through online teaching using appropriate online platform in view of Covid 19 lock down situation. In this connection, BE (UG) & M.E (PG) students' class representatives of the various Departments, UCE, OU are instructed to create the class wise whatsapp group and inform to the respective class teacher/course coordinator/HOD. The online teaching starts from 15th April 2020 onwards. The students are advised to make all necessary arrangements such as Laptops/Smart Phones/Tablets with the sufficient internet connections. The HOD office will inform you the online classes schedules very soon. Further informed that Students are advised to visit the college website time to time and follow the instructions.
